Mr. Hinds:

Happy anniversary. I wish you and your family the most precious gift one can ever have: health.

Thanks to ROME, I came to know you.

The first images..your eyes..your eyes spoke..the look in your eyes..For decades I had not felt the same force and "élan"..

The other actor? Dirk Bogarde...

Like you: not a celebrity but an actor.

Thank you.

Felicidades Ciarán!

Soy fan tuya desde hace poco tiempo, desde que te ví en Tomb Raider y luego en Jane Eyre no he dejado de interesarme por otros trabajos tuyos. Creo que eres un actor con mucha fuerza, con mucho carisma y talento.

Por cierto tienes unos ojos preciosos, me encanta tu mirada, eres muy atractivo.

Yo tengo 35 años y aunque creo que podrías ser mi padre, a mí no me importa...jaja Feliz cumpleaños y que sigas trabajando mucho para que podamos disfrutar contigo.

Por cierto me encantaría recibir una foto dedicada.

Un beso

Happy Birthday or as we say Hartelijk Gefeliciteerd!!!!

Allow me to wish you many, many happy returns in good health and happiness and may all your troubles be small.

Watching your work has given me many joyful hours and as I understand that you know that contentment is better than riches I beg you, please stay in Europe so that hopefully one day soon I get a chance to see you "life at work" on the stage!

Again my best wishes,

Dear Mr. Hinds,

It's always a very wonderful experience to watch your performance. I'm happy to learn that sometimes a star appears to be less shiny just because he's further atop the earth, and those star gazers with caring hearts and keen eyes will eventually feel his eternal warmth, even across the gulf of time and space.

Happy birthday and wish you all the best!

Dear Ciarán,

This is to wish you a very Happy Birthday and also to hope that your belated birthday present will be the award for Best Actor at the Irish Awards on the 20th, there is no one who deserves it more.

You have come into my life in the strangest way, I believe your Father knew my Mother, hence my middle name.

Again have a wonderful Birthday, I will hopefully get to see you receive that Award on the 20th and if you're not too busy maybe we could catch a coffee and have a chat. With fondest love, respect and admiration.
