Happy Birthday Ciaran! 🎂

I first saw you on TV in 'The Man who Cried' and have followed your career since then. Like lots of your fans I got even more 'enthusiastic' after Persuasion! Your fans are all very proud of you, and we wish you continued success in the future.

I've been lucky enough to see you on stage twice. 'Burnt by the sun' in 2009, and 'Juno and the Paycock' on 5th Feb! I enjoyed it very much, congratulations to all of you.

I hope you have a lovely birthday with your nearest & dearest!xxx

10. Debra Perkins - 2012-01-13 14:32:32

Certainly want to wish you a most happy birthday but also want to say what an incredible actor you are. You are now and forever will be Caesar to me. As a student and lover of history, your portrayal of Caesar in Rome was, well, simply perfect. Since then I have searched for anything else you have been in and was delighted to discover you in Persuasion. You bring such passion to your roles. Without going on and on and getting a bit mushy, God bless. You are truly magnificent!

9. Kam - 2012-01-13 03:18:20

Happy Birthday! I hope you have a wonderful day. You have brought me so much happiness with so many of your movie roles. My dream is to some day see you on the stage. Looking forward to many more projects in the years to come. If you ever find yourself in Walla Walla, WA look me up and I'll make sure you have a nice glass of wine, we're famous for that!
